**New Appointment Signals Growth for Active Aero  
Hugh Cutler Appointed COO, Active On-Demand**

Jan. 26, 2012 Belleville, Mich. – Active Aero Group Holdings, LLC named Hugh Cutler, a 32 year veteran of the global transportation logistics industry, to the newly created position of Chief Operating Officer of Active On-Demand, the company's expedited transportation management division. Mr. Cutler was drawn to the company by its unique business model and the company's potential for growth.

Prior to joining Active On-Demand, Mr. Cutler held progressively more responsible positions at Emery Air Freight where he was the Canadian Country Manager; VP International Sales and Service, Area VP and a Company Officer. In 2005 Hugh served as President Air Transport at BDP International. Before joining Active On-Demand, Mr. Cutler was Executive Vice President Operations at one of the largest providers of integrated expedite service .

"Today we leverage our business model with savvy manufacturers to assure seamless production in spite of supply chain disruptions. In recent years the company has earned multiple outstanding supplier awards from its key customers including Ford Motor Company and General Motors. Active On-Demand's business model will translate well to the needs of clients in multiple vertical markets as well," said Mr. Cutler.

Chris Healy, President and CEO of Active Aero Group Holdings said, "We are delighted that Hugh Cutler has elected to join us. His broad knowledge of the expedited transportation industry both in North America and abroad will help drive Active On-Demand's aggressive growth plans. He's a valuable addition to the company."

**About Active Aero Group, LLC**

Active Aero Group Holdings, LLC is privately held and is headquartered in Belleville, Michigan. Acquired by Platinum Equity in May, 2011, the company has two divisions. **Active On-Demand** is a premium transportation logistics management company offering its customers innovative technology-based solutions for North American ground expedite, global air charter, air cargo, and courier services. **USA Jet Airlines, Inc.** is a Part 121 certificated cargo & passenger charter air carrier operating MD-83, DC-9 and Falcon 20 aircraft. It provides safe, customer oriented on-demand air charter cargo services and private passenger charters for the sports and entertainment industries.
